OFFICE HOURS

Join us for a special edition of Trek10 OfficeHours! May 31st @12pm EDT

We did it! We've got exciting news to share on our IBM partnership! Trek10 CEO, Shane Fimbel and Sr. Solutions Architect, Ryan Wendel will be hosting Office Hours this month.

Along with IBM security execs, they'll guide us through a discussion of the awesome impact IBM is having on data security and the cloud. And of course share details on our partnership.

CASE STUDY: AKRIVIA HEALTH

USING AI & AWS CLOUD, AKRIVIA HELPS RESEARCHERS FIGHT ALZHEIMER'S

Akrivia Health began as a small research project at Oxford University, but over the past ten years it has grown into an independent company with a hard-hitting mission: change the trajectory of mental health research as we know it. Through Akrivia's data platform, mental health researchers will have access to datasets enriched to a degree that has never before been available for study, paving the way for swifter diagnoses and better treatment options for patients with conditions such as Alzheimer's, dementia, and depression.
