

The Ascent

SEPTEMBER 2024

Trek10 Achieves AWS Retail Services Competency

Earning our Retail Competency means we're expertly equipped to help you take your retail business to new heights in the cloud!

Stance Builds Observability in AWS With Trek10 for Better Customer Service

We designed, built, and implemented a solution that gave them full visibility, providing complete observability to even their non-technical team, at any hour of the day.

IN CASE YOU MISSED IT

Watch the video and hear how Taco Bell Migrated Their E-commerce to AWS Serverless with Trek10 and Cut Costs by 90%

Taco Bell is known for innovation in the QSR space but not many people know that they're striving to be second to none with their technology.

Trek10 migration service expertise prioritizes efficiency in your cloud journey so you can fully leverage all AWS has to offer. Fill out the form and learn how Trek10 can support your rapid application migration to AWS!
